

SWINGFIELD STREET COMMUNITY GROUP

Minutes of meeting held at Rachael and Trevor's

Saturday 30th July 2022

1. *Apologies* – received from Fee, Jon, Heather, Allan, Barbara, Steve
2. *Village planters* – Steve (in a written report) reported the Parish Council had approved a payment of £550 towards the total £835 estimated cost, the remainder to be covered by the group. It was decided to **defer the decision** on this to a later meeting, to give Marianne time to check the finances, a decision not being urgent, especially given the on-going work on the restoration of the lychgate.
3. *This Is My Theatre* – Steve reported 45 tickets had been sold so far (including 4 online) for the performance of *Pride and Prejudice* at Broomwood on 17th August. Nigel informed everyone that he was dealing with the risk assessment, and that doors would be open from 4pm for anyone wanting to bring a picnic before the performance.
4. *Defibrillator* – Steve reported that the defibrillator had been taken away for a software update, but a question had arisen over the remaining lifetime of the battery. Steve asked **Marianne to check** when we had last paid for a battery, and whether we really are due to pay out £200 for a new one.
5. *Foodbank* – Steve noted that donations to the foodbank box in the church had gone down considerably – is it worth Lorna's while to continue to collect from the village when every supermarket has a donation point? After some discussion, the group **decided to continue** with the village foodbank donation point and **review at the next meeting**.
6. *Village BBQ* – scheduled for 14th August. Darren from Old Forge had offered to obtain discounted meat for the BBQ from work. Rachael asked whether the group would consider donating £150 to the cost of the event. Marianne said she would need to check our finances, which we would be drawing on for the village planter, and possibly a new battery for the defibrillator. **A decision on this was deferred.**
7. *Any Other Business* –
 - a. Village website – Julie and Leo floated the idea of creating a village website on which we can more easily publicise our events and archive past events and information. Leo estimated a cost of £80-£100 pa for domain hosting. **Leo to circulate more information about the options for discussion at next meeting.**
 - b. A warning was passed on about a white van going around the area and aggressively promoting its services.
 - c. Agreed to run a raffle at *Pride & Prejudice* – just one big prize, villagers asked to donate bottles to a 'wheelbarrow of beverages'!
8. Meeting ended with Tony H explaining the rules for the 'Christmas bucket of potatoes' competition and everyone selecting their bucket and their potato. Thanks to Rachael and Trevor for hosting the meeting and coffee morning.
